“ Marie, I will never forget you. You showed me the way to Christ through you and I will be forever grateful. I remember the day we met and locked eyes with one another and there was just something there. Hard to explain. It was our orientation for a Walmart position. Although we never got to see each other in the latter years I will have a little piece in my heart for you for ever. Thank you my friend for just being you. You truly were an angel. I love you

“ I'm proud to have known such a beautiful classy lady Marie, her smile brought light to my darkest days. I'll always cherish the moment she held my hand and prayed for My Husband and then for me. Prayers and condolences to the family.
